Oh! I didn't realize we had that warning in the system. I'm sure we can work it out, just to be safe I CC'd Jessica to give the thumbs up and I can let the investigators know that we are in support.

Thanks

Hi Diana,

In our application to renew our Farmers Market Street Closure permit, we received a notification that BSS has been instructed to not issue any new permits that may conflict with Night on Broadway without first communicating with CD14.

Our Farmers Market closure happens every Sunday 8am - 3pm on 5th between Broadway and Spring. As NOB take-down happens midnight Saturday into early Sunday morning, there should be no conflict with us setting up our Market several hours later beginning at 8am. We've had no conflicts in the past with NOB take-down and Farmers Market set-up.

Can you please affirm CD14's support for our Market permit for the morning after NOB?

BSS Ref#: 20160882-2016

Thank you,

Noah
